

Coco Carino Groth
Statement of Candidacy

I would love the opportunity to serve again as your Board Member for the Snoqualmie Ridge ROA, so I have thrown my hat in the race for the resident seat again!

My personal interest in this community goes back over 16 years. This is where I live, where my husband and I raised our daughter, and where I also work! From managing Echo Ridge Apartments for a few years, to representing buyers & sellers in Real Estate transactions, Snoqualmie Ridge has been a constant in my life and I am proud to serve in a volunteer capacity that supports the community.

I served on the board for 2 terms 4 years ago. I would love the opportunity to serve again as we transition. The board has worked to develop stronger community policies, maintained a healthy, balanced budget, and sought new ways to encourage and strengthen community/neighborhood relationships and I look forward to continuing this work.

We have an excellent ROA staff that provides a strong bridge between the Board and the residents, and it has been my pleasure to work with them on policy issues, and alongside them while supporting association sponsored community wide and neighborhood events.

My professional career consists of over 17 years with Nordstrom where I worked my way from sales to managing to buying. I have been a Real Estate Broker for over 16 years, working for Coldwell Banker Bain, assisting buyers & sellers in Snoqualmie Ridge and throughout the Eastside. Through both of these careers, I have truly learned the importance of taking care of the customer. I also embrace this philosophy as your Board Member. The residents of Snoqualmie Ridge are our customers, and it is our job as a Board to continue to take care of you!

I have really enjoyed being directly involved with the planning and executing of resident and staff ideas that are intended to keep this community strong, and I would be honored if you would allow me to take on this role once again!
